- A. facilitating the timely enrollment and placement of children of military families in educational and other school programs and activities so as to ensure that the same are not disadvantaged by variations in attendance requirements, scheduling, sequencing, grading, course content or assessment and the like;
- B. promoting flexibility and cooperation between the county board and other school systems, parents and students in order to achieve educational success for students;
- C. facilitating the on-time graduation of children of military families; and
- D. providing for the uniform collection and sharing of information between and among schools and military families.

The Superintendent shall maintain guidelines for implementation of this policy which are consistent with the Compact and State law.
