Briefly explain your weekly schedule for students and staff: (rotating, five days, blended, etc.)

What is the estimated number of students who are interested in virtual instruction?

How much time will you be devoting to professional learning for teachers and staff?

If remote learning is required for your county, explain your plan and how you will hold students and staff accountable?

Minimizing Exposure: A Critical Component for Re-entry

Yes No

Social distancing protocols are in place for all transition areas, congregant areas, and any time outside of structured settings.

Classrooms are arranged in a safe manner to limit close interactions in order to protect the health of our students and teachers.

Masks are required when students are not in their core groups and in congregate areas such as hallways, restrooms, cafeteria, etc.

Non-essential visitors are limited and protocols in place at office to monitor.

Comments:

Explain your plan for Pre-K through Grade 5 and Grades 6-12 following recommendations on page 8 of the Re-entry toolkit.

Health and Wellness

Yes No

Best health practices signage is displayed throughout buildings and classrooms.

Protocols are in place for screening and isolating symptomatic students and staff.

Cleaning and disinfecting protocols have been established.

Comments:

Social and Emotional Wellness

Briefly describe your process for ensuring that the social/emotional needs of students are addressed upon re-entry to school.

How will you monitor engagement if students are not physically present in the building?

Comments:

Cleaning and Hygiene

Yes No

Adequate supplies are available to support healthy hygiene behaviors.

Protocols are in place for proper cleaning and disinfection of buildings on a daily basis.

High-touch areas will be cleaned multiple times throughout the day.

Comments:

Child Nutrition

Explain your process for feeding students that are in virtual learning settings.

What is your plan in the event your county has to transition to remote learning?

Transportation

Yes No

Protocols are in place for proper cleaning and disinfection of buses on a daily basis.

High-touch areas will be cleaned between bus runs.

Schedules have been adjusted to limit the number of students on a bus and for social distancing during drop-off and pick-up times.
